JUNIOR ATHLETES TEAM (7-13yrs)

We have had a successful year! We updated our boat house equipment and, with generous donations, bought 3 second-hand race-worthy OPTIMISTS for our growing Junior racing team.

Nikolas, the Sailing Coach organized inter-club race practice with N.O Ermioni, and five athletes sailed over to participate. With 10 kids ready to attend the National Championship Under 13 OPTIMIST Races in Aigio (Western Peloponnese) on 20-23 February 2025, this event offers them new challenges beyond Spetses and valuable life experiences with other athletes.

JUNIOR ATHLETES SUMMER SAILING PROGRAMME:

June 15th till August 31st 2025

OPEN TO YOUNG SUMMER VISITORS!

RHODES 19 FLEET

To continue the story of the Rhodes 19 fleet, SYC now has 6 Rhodes 19 keel yachts restored and named: AGIOS IOANNIS, AGIOS NICHOLAOS, AGIOS GREGORIOS, ARCHANGELOS, AGIOS ATHANASIOS, OSIOS LUCAS, all moored during the summer months in the Old Harbour.

These yachts are available to members and their guests for sailing on a daily basis upon request. Based on members interest, SYC and NOE are planning to organize Fleet Racing events in Spetses around May/June and October/November 2025.

As planning is essential, we encourage members interested in competing in a weekend sailing event in Spetses to notify the club promptly. Your early indication of interest will assist us greatly in organizing and ensuring a successful event. Each yacht can carry 3 – 5 crew.

Our grateful thanks go to Nigel Dean for his unswerving commitment to raising funds and restoring these beautiful classic sailing boats. However, we now need funding to help the club keep these beautiful yachts in the best condition on a yearly basis.
